Dear Mr. Walters:

As you know, the recent loss of the dam at Harrington's Pond has had a serious affect on the integrity of the McKownville--Birchmont Water District supply system.

I am concerned that this pond may not be replaced and would, therefore, like to meet with you at your earliest convenience to discuss this matter and its impact on the McKownville--Westmere area.

I am sure that you share our concern and I look forward to hearing from you in this regard.

Very truly yours,

John E. Esler
President
