GUILDERLAND, N. Y. 12084
(518) 356-1980

CARL J. WALTERS
SUPERVISOR

JANE H. SPRINGER
TOWN CLERK

August 25, 1977

Mr. Timothy Cohan, President
McKownville Improvement Association
14 Parkwood St.
Albany, N.Y. 12203

Dear Mr. Cohan:

Pursuant to your recent request I send the following Westmere Water District and McKownville Water District data.

I'm sorry you felt there was lack of information and conflicting information. The Town tried to be forthright and honest in its information.

The cost of producing water in 1976 by the Westmere Water Dist. was \$1.066 per M gallons. This is arrived at thusly:

Total water production	529,147,840 gallons
Operation expenses	\$229,977.82
Cost per M gals	.434
Capitol Construction	\$334,836.26
Cost per M gals	.632

The gallons of water produced by source was:

Northeastern Industrial Park treatment plant	379,181,000
Westmere well source	<u>149,966,840</u>
Total Westmere production	529,147,840 gal.

Mr. Timothy Cohan, President

-2-

August 25, 1977

McKownville consumption	87,032,390 <i>gals.</i>
Westmere indebtedness	\$4,667,700.
McKownville indebtedness	\$ 140,080

Operation and maintenance for Westmere was \$229,977.82 and
McKownville District was \$70,404.28

The capitol cost of Westmere to produce water for 1976 was
\$334,836.26.

I hope this will serve to help answer your questions.

Very truly yours,

Carl J. Walters
