Bike and Trike Rodeo -----Sunday, October 23, 1-4 P.M. 1450 Western Avenue. Contestant prizes to be awarded by McDonald's. The Kiwanis of Guilderland will be on hand to help us judge the winners. The Town Police and the McKownville Fire Department will be there to help us all have a good time and teach us SAFETY and to register our bikes and tell us how to reduce the number of bike thefts in McKownville. Sign up before October 17th. Late entrants will be accepted but we need time for planning the schedule of events. Use the tear-off entry form on the botton of this announcement. Come, enjoy, and use the nice big lot at 1450 which Robert's Realty has let us use for the rodeo.

We all need to go to the meetings at Town Hall and the School more often and let our elected officials know what we want. McKownville pays between 10 and 15 percent of Guilderland Town property taxes -- we must make sure that we are getting our money spent for what we need. The Town Meetings are announced in the Altamount Enterprise: they are regularly scheduled as follows:

- Mondays -- Planning Board, first & third Mondays, monthly
- Tuesdays - Town Board, second Tuesday, monthly
- Friday --- Zoning Board, second and fourth Fridays, monthly

Take a friend, take your children, and help McKownville and the Town.

Give this to an Officer or Board Member of the Association before 10/17/77
