Dear Don,

Could you please send me  
a written paper with the  
McFowinville Improvement Association's  
interests in acquiring + developing  
a public park at the old  
McKrons Grove.

I need a short written document  
from concerned interests other than  
Town government interests. This showing  
of local interest will be used  
in the application to the Bureau of  
Outdoor Recreation.

Thanks.

Sincerely,  
Dennis Moore
