Mr. Louis Dempf
Attorney
100 State Street
Albany, N.Y.

Dear Sir:

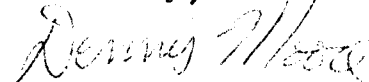

The Town of Guilderland Recreation Department, at the request of the McKownville residents, would like to put up a skating rink in the McKownville area. A suggested site for the rink was the old McKowns Grove parking lot. We would like to ask permission to use this area.

The rinks that we use are natural ice rinks with frames and plastic liners to hold the water. The approximate size is 100' by 40'. The rink would be maintained and supervised by Town and local personnel. The parking lot would be an excellent spot for the rink because of its close proximity to public water and also its central location for skater use.

A copy of the agreement that we have used regarding Town use of private property is enclosed. The rink mentioned in the contract is located in Altamont.

Thank you for your consideration. A reply would be appreciated as soon as possible because of the time required to construct the frame and the weather factor involved. Thank you.

Sincerely,

Dennis Moore
Director of Recreation
