Dear Mr. Geoffroy:

Attached is a copy of a letter and statement I recently received from Mr. John Esler of 19 Elmwood, McKownville, concerning the widening of Western Avenue.

May I respectfully request that you give serious consideration to the situation in whatever manner is most appropriate from a safety standpoint.

Your assistance in this matter is appreciated not only by me, but those who must travel this section of Western Avenue on a regular basis.

Sincerely,

Fred G. Field, Jr.
