petitions

TO ALL RESIDENTS OF MCKOWNVILLE

As you are aware, the decision on the widening of Western Avenue is at hand. We urgently need your input on this issue which affects each of us in McKownville.

Do you want Western Avenue in McKownville to become another commercial strip like Central Avenue? Research into similar road widening in other communities reveals this often results. Western Avenue from the city line to the Northway is highly commercial now! Increased traffic with its noise and pollution will undoubtedly attract high volume businesses such as bars and fast food restaurants. There is already one being proposed for the land adjoining the firehouse.

In an effort to accurately reflect the views of each voter in our community, we seek your response to the following questions:

_____ How many voters (persons aver 18 years old) are there in this household?

_____ I AM IN FAVOR OF WIDENING WESTERN AVENUE FROM THE CITY LINE TO FULLER ROAD! Indicate number of persons in the household voting in favor of this.

_____ I AM OPPOSED TO THE WIDENING OF WESTERN AVENUE FROM THE CITY LINE TO FULLER ROAD! Indicate number of persons in the household expressing this opinion.

Each voter may sign this petition if they choose to.

Please return the petition to one of the following McKownville Board members before April 17, 1978. You may fold and staple and mail this to the address printed on the reverse. THANK YOU.

Officers and Board Members for 1978 of the McKownville Improvement Association are:
