Dear Mr. Reeb:

This is in response to your letter of May 19, 1978, concerning the section of Route 20 from the Albany City Line to Fuller Road. As you know by now, we have decided to delete this section from the Western Avenue contract.

Concerning the State Environmental Quality Review Act, the project was approved by the Division of the Budget prior to the effective date of the act so it does not apply to this project.

I trust that this information satisfies your needs.

Sincerely,

A handwritten signature in cursive script, appearing to read "W. C. Hennessy".
