

The McKownville Improvement Association

MEETING--TOM SAWYER MOTOR INN

TUESDAY -- 8:00 PM

SEPTEMBER 19, 1978

Dennys has requested a variance and a change in the zoning ordinance for a restaurant to be located at 1508 Western Avenue (next to the bank and the veterinarians office). And, Flato has again (this is the 6th time) requested permission to open a fast food restaurant at 1246 Western Ave. These will increase the noise, filth, traffic, and air pollution in our neighborhoods and decrease the value of our homes. The granting of permission to fast food restaurants to locate in McKownville must be stopped.

Please bring the following ballot with you to the meeting, or give it to a friend to bring or give it to the McKownville Improvement Association Board member in your neighborhood.

Neither Dennys nor Flatos nor any additional restaurants should be permitted to locate on Western Avenue in McKownville.

We do not want more restaurants

We are in favor of more restaurants

Signature, optional

The Crossgates development continues to go ahead. Since there is yet no indication that they will protect our area from the horrendous traffic and other problems, it is prudent for each of us to work strongly against its approval and development.
