McKownville
Albany, N.Y. 12203

Dear Mr. Behn:

We have talked with our special counsel, John Tabner, concerning the wording on the notice of application for Westmere Water District to sell water of McKownville Water District. He informs us that this application was prepared by New York State Dept. of Environmental Conservation, Region IV, at Stamford, N.Y. and not by the Town of Guilderland.

Sincerely,

Carl J. Walters
