

Water districts petitions circulated

People in Westmere and McKownville have been going door-to-door to obtain signatures to bring about a referendum concerning the consolidation of the McKownville and Westmere water districts.

At the present time McKownville residents purchase water from the Westmere Water District. Firemen from the McKownville Volunteer Fire Department had requested the town board to consolidate the water district, as the firemen said the one water main connecting the Westmere and McKownville districts was inadequate for fire protection in McKownville. At a recent meeting, the town board voted to consolidate the two districts.

CHILDREN'S FILMS: Two films for children in grades four and up will be today at 10 a.m. at the Guilderland Free Library, 1900 Western Ave. They are *Street of the Flower Boxes*, a story of how a boy named Carlos transformed the street where he lived and *Good Deed in Time*, another gang picture.

● Films for children in grades kindergarten through three will be shown Thursday at 10 a.m. at

**Westmere
McKownville**
