## VOTE NO ON THE MC KOWNVILLE WATER CONSOLIDATION.

It does not make sense. It will help Crossgates, and not you.

\*\* Merger does not help fire protection.  
What helps fire protection is a decision by the Town Board to spend money on the McKownville Water System. They can and will improve the system with or without merger. The difference in cost of merging is simply \$5000. worth of meters. Our annual water budget alone is 25 times that amount.

\*\* Crossgates needs State permits. Two of these involve the McKownville Reservoir. Crossgates needs to transform the Reservoir into a sewer. We've held them off so far. But a consolidated district does not need the Reservoir. We do. Our voices in defense of the Reservoir will remain strong only if it is our Reservoir.

\*\* Consolidation will not improve out water system.

\*\* Consolidation will weaken the opposition to Crossgates.

\*\*\*\* VOTE NO ON CONSOLIDATION \*\*\*\*

Wednesday August 27, 1980 4:00p.m. to 10:00p.m.

McKownville Fire House

Westmere Fire House

\*\*\*\* VOTE NO ON CONSOLIDATION \*\*\*\*
