RE: Crossgates

Dear Sir:

The McKownville Improvement Association, a party to the proceedings wherein the Pyramid Crossgates Company seeks a grant of a variance and a special use permit, protests the failure of the Zoning Board of Appeals to allow questioning of the Applicant and its witnesses by parties who are opponents of the project. We recuest that a date in mid-October be established for such questions. Failure to provide the opportunity is a basic denial of due process and renders the entire "public hearing" invalid. Kindly make this protest a part of the record.

Sincerely,

  
JOHN E. SHEA
