Dear Mr. Webster,

On behalf of the McKownville Improvement Association, I want to thank you for bringing such a talented group of young musicians to the Association's "Meet Your Neighbors" dinner last Thursday. I heard many nice comments about the two groups after the evening broke up, and I know that their participation, and Mr. Corigliano's and yours, helped very much to make the evening a success.

That the two groups played so well so early in the year is a testament to the high quality of your musical programs as well as a credit to each of the performers.

We appreciate very much your giving us the opportunity to hear them perform.

Sincerely yours,

Lindsay N. Childs
President
