Dear Jim:

I have enclosed a copy of a letter to the Capital District Transportation Committee from Theodore Nadratowski and Fred M. Doeing of Albany County. I thought you might be interested in the improvements allegedly scheduled for Fuller Road. As the Acting President of the McKownville Improvement Association I would appreciate it if you would bring this to the Improvement Associations attention for any input that they would like to have with regard to the improvements on Fuller Road and also the improvements on County Route 204, which I believe to be Schoolhouse Road.

I look forward to hearing from you in the near future.

With warm personal regards,

Kevin A. Moss
