Dorothy Ellinwood, Secretary
McKownville Improvement Association

Albany, New York 12203

Dear Mrs. Ellinwood:

Thank you for sharing with me a copy of the position of the McKownville Improvement Association on the proposal to locate an Albany County Civic Center on the campus of the State University of New York at Albany.

Considering the dramatic changes which have occurred in the areas surrounding McKownville in recent years there is absolutely no doubt in my mind that the addition of a civic center with the ensuing increased business pedestrians and traffic would have a disasterous effect on McKownville.

You can be assured that I will be vocal in my opposition to such a plan. I have already shared your position with Sue Ann Ritchko who is the only representative of the Republican Minority who serves on that committee.

Sincerely,

Anne T. Rose
