Dear Armand:

I enclose a copy of a letter from Mr. Fred Abele, which is self-explanatory. Please let me know if there is anything that you will do to work with the Town to correct the situation that exists at this Guilderland Landmark. I would appreciate any creative suggestions you may have to remedy this situation. Please do not hesitate to let me have your thoughts.

I appreciate your cooperation in this matter in as prompt a fashion as possible.

Very truly yours,

Kevin A. Moss
