

The McKownville Improvement Association

presents

The McKown Park - Informational Meeting

Thursday, January 17, 1985 ~ 8:00 P.M.

Tom Sawyer Motor Inn

1444 Western Ave., McKownville

Speaker: Dennis Moore
Director Parks, Recreation
Youth Service

Moderator: Jim Cameron
V.P. McKownville
Improvement Assoc.

This informational meeting will discuss how the new MCKOWN PARK should be developed. The future park, on a seven acre parcel off Schoolhouse Road next to the Thruway, was purchased by the Town of Guilderland in 1984. Now the Town wants to know how we, the users, would like to see the Park developed.

Dennis Moore will be at the meeting to explain the present status of the project and to discuss proposals. This is our opportunity to say what we would like in the Park, learn the cost of various options and tell Town officials what we would like before the Park becomes a finished reality. Come to the meeting with your ideas !

for future reference
