ANNUAL MEETING

7:30 PM. TUES. MAY 21
TOM SAWYER MOTOR INN
1444 WESTERN AVE.

PROGRAM

1. During the summer of 1985 the State University plans to extend the present gymnasium facility by installing a temporary "bubble" adjacent to the gym. A more permanent field house of 4,000--5,000 seats, location undetermined, is also being planned for the uptown campus.

Lewis Welch, Vice-President, Community Affairs, SUNYA, will be present to discuss these projects and answer questions about locations, traffic generation, parking arrangements, etc.

2. This spring the Town of Guilderland is, in all probability, rezoning several areas in McKownville. What will this mean to YOU?

Lindsey Childs, a member of the Guilderland Town Planning Board and resident of McKownville will describe the changes and answer questions about zoning in McKownville.

3. Election of officers and trustees, McKownville Improvement Association, for the coming year.

ALL COMMUNITY MEMBERS WELCOME TO ATTEND
