Bob Luller  
Sue Brown  
Steve William  
Bob Humberd - 3 yrs  
Steve Berg  
Alice Fida  
Jim Lane

Unanimously acceptance

Program SONY Capital to North is going to be doing  
Lae Welch

last time we discussed Civic Center  
this time Field House -  
eligible for 2nd Phy Ed. facility  
late 60 early 70's elaborate plan

complement present gymnasium

need

large open multipurpose space  
racquet/hand ball court  
location - then concerning close  
south east west

inter murals / Division III basketball now  
present gym holds 3,000

future 4 to 5,000  
builds air conditioned space late fall 1984

East of gym 35000 sqft  
would use less than 50% of current parking space  
about same size of current bldg.

15,000  
students

eq. footage - size of present physical bldg.

If we developed proper actinly, who would be responsible to develop additional parking.

Designed for student use, University is an educational facility  
Special events

2's

Planned Student Housing good possibility - approx 400 beds  
President's House no way, unless house donated

Need for sidewalks + light

Lee Swyer used to plan until 5/6 years ago  
letter to Dr O'Looney, copy to Lee Welch

Lindsay Old G. Town Planning Bd.

Town Bd commissioned study Western Ave Emerald  
too much land zoned for retail

University zoned - residential R-15

Reviewed new zoning on large map

R-10 multiple housing > might change to single only

Reviewing Zoning Law

Review of Road system
