Subject: Contractors for Residential Storm Water Connections (Sump Pump Connection)

Dear Resident,

The following contractors have been identified, contacted, and are available to work installing sump pump connections from your basement to the new storm system laterals connection points. Residents can use contractors other than those on this list.

Turnpike Supply

3830 Western Turnpike

Altamont, NY 12009

Contacts: Dan Nichols (518) 339-7908 or Jacob Shank (518) 701-3178

N.Y. Patriot Group

1215 Cotton Hill Road

Berne, NY 12023

Contact: Robert Chase (518) 944-8680

Andre Nadeau

122 Bridge Street, Suite 2

Cobleskill, NY 12403

Contact: Andre Nadeau (518) 376-3426

Please don't hesitate to contact our office with any questions, concerns, or comments and we will do our best to assist. The Delaware Engineering office number is (518) 452-1290.

Thank you,

Dale Nunamann and Biagio DelVillano, Delaware Engineering D.P.C.
