McKownville Improvement Association

General Meeting, Thursday June 5, 2003

All residents are invited to attend the McKownville Improvement Association meeting on Thursday, June 5 from 7:00 to 9:00 p.m. at the Holiday Inn, Express.

The agenda for the meeting has two major items. The first are the reports from the committees of the Association: the Committee on the pond; the Committee on the Town's tree planting program; the Committee on Western Avenue improvements; the Committee on sidewalks; and the Committee on the Western Avenue speed limit reduction.

The second are elections. The Bylaws provide for elections each year. The four Officers together with three Board members are up for election, the latter for three year terms and the former for one year terms.

Two notes. The Bicentennial Celebration on May 3 at the McKownville Fire House was fantastic. Possibly more than 100 people were there and many told me how much they enjoyed the party. Members of the fire department did most of the work and they deserve the majority of the credit. Association Board members' Marty Gnacik, Alice Torda, Jim White, Paul Haldeman, David Knight, Kathy LeRoux and Sue Brown provided much help as did long time supporter John Esler. Ruth Abele gave both a slide show and a talk about the history of McKownville. The Town Bicentennial Committee provided an ample (\$200) grant to pay for the refreshments and other expenses of the Celebration. Secondly, please notice the Do Not Block the Intersection signs along Fuller Road at Providence and nearby streets. The Town was asked to request the County to install the signs and they were recently put in place. The signs should alleviate some of the traffic problems for the residents of these streets.

McKownville Improvement Association 2002-2003
